PENNSYLVANIA AGRICULTURAL PRODUCT
PROMOTION MATCHING GRANT PROGRAM

Grant Application 2008-2009

Submit 3 Copies

Name of organization(s) applying for the grant. (If this is to be a joint project, designate the LEAD ORGANIZATION whose officers will sign the contract.)

Address _____

City _____ State _____ Zip Code _____

Person in charge of the project _____

Telephone _____ Fax _____

E-mail address _____

Federal identification number _____ SAP Vendor # _____

Statement that the organization is nonprofit:

Source and nature of organization's funding (e.g. Is it grower funded/voluntary, etc.?) that would be used to match the Department's grant:

Project title:

Project objective(s):

Cite and discuss any research or other evidence that supports the need for the project being proposed. (Use additional sheets of paper if necessary.)

Pennsylvania Agricultural Product Promotion Matching Grant Program
Grant Application:

Project description, including:

- how the project will be conducted;
- description of target audience and number of consumers impacted;
- how the project will impact the target audience;
- which commodities are included in the project;
- timeline schedule from beginning to project completion;
- how PDA's matching grant will be recognized, and if not, why not.
- (Additionally, the applicant should weigh the factors to be considered in selecting those projects to receive funding. See the Statement of Policy, Section 105.7 (b)).
(Use additional sheets of paper if necessary.)

A description of the evaluation process to be used to determine the effectiveness of the project (use additional sheets of paper if necessary):

A detailed project budget, including:

- project costs, itemized and identified by objective or project activity;
- amount to be contributed by applicant and the source(s) of the applicant's funds;
- amount of match requested from PDA

Completion date of the project: December 31, 2009

Additional documentation: The applicant must submit other supporting materials, which will assist the Secretary in evaluating the proposal. For example, applications for funding for continuing projects should be accompanied by evidence of the effectiveness of the project in prior years.

I verify the statements in this application to be true and correct, and make these statements subject to the penalties of 18 Pa. C.S. Sec 4904, relating to unsworn falsification to authorities.

(Authorized Signature)
